3rd Nordic International Digital Circuit 2018

The Nordic Society of Photography proudly presents the 3rd Nordic International Digital Circuit 2018 which is one of the few circuits in the Nordic countries. The exhibition is a four country circuit in collaboration with the national organizations in Sweden, Norway, Finland and Denmark. The exhibition has received PSA Recognition, FIAP Patronage and GPU License.

More than 500 photographers from 45 countries have sent almost 4000 photos for assessment, which is almost the same number of participants as last year!

Once again a great success!

This shows that the Nordic International Digital Circuit is now an established and appreciated exhibition.

We should like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

Congratulations to those who were successful, and the rest of you we wish better success in our next exhibition 2019.

In this PDF-catalogue you can take part of all the accepted and prize winning photos.

Please enjoy!
