## MEDLEMSORGANISASJONER

---

# HILSEN FRA LEDER/PRESIDENT

Nordiskt Fotomästerskap 2021

Nordiska Förbundet för Fotografi - NFFF bildades 2015, och är ett samarbete mellan landsförbunden i de fyra Nordiska länderna Sverige, Norge, Finland och Danmark. 2017 genomfördes för första gången Nordiskt Fotomästerskap, och värdskapet alternerar mellan de fyra landsförbunden.

Antalet deltagare ligger på en konstant hög nivå, cirka 570 fotografer. Detta kan till stor del bero på att tävlingen från och med förra året är en tävling även för klubbarna.

Årets katalog har tyvärr blivit kraftigt försenad, vilket vi ber om överseende för.

Vi har tyvärr, av flera olika anledningar, tvingats överge den tryckta katalogen, och presenteras den därför som en PDF-katalog, vilket vi hoppas att ni har överseende med.

Även de hederstecken, Nordisk Stormästare i Fotografi - NSMiF, som inrättades 2016, och utdelades första gången 2017, har blivit mycket uppskattade av fotografer i Norden. En förteckning över de fotografer som mottagit hederstecknet återfinns på vår hemsida [www.nordic.photo](http://www.nordic.photo), där även övrig information om hederstecknet finns.

NFFF har även genomfört ett antal internationella fotoutställningar - circuits - med bedömningar i de fyra nordiska länderna, och i år har den sjätte i ordningen genomförts, 6th Nordic International Digital Circuit 2021. Information finns på hemsidan [www.nordic.photo](http://www.nordic.photo).

Hoppas ni får stor glädje av denna katalog från Nordiskt Fotomästerskap 2021!

Nils-Erik Jerlemar

# PUHEENJOHTAJAN TERVEHDYS

Pohjoismainen Valokuvausliitto NFFF perustettiin 2015 neljän Pohjoismaan, Ruotsin, Norjan, Suomen ja Tanskan liittojen yhteistyönä. 2017 järjestettiin ensimmäinen Pohjoismainen Valokuvamestaruuskilpailu ja sen järjestelyistä vastaa kunkin jäsenmaan liitto omalla vuorollaan.

Osallistuvien valokuvaajien määrä pysyy tasaisen korkeana, tänä vuonna 570. Tämä voi osaltaan johtua siitä, että viime vuodesta lähtien kyseessä on ollut myös seurojen välinen kilpailu.

Tämän vuotisen luettelon julkaisu viivästyi kovasti ja olemme siitä pahoillamme.

Olemme useasta syystä johtuen joutuneet luopumaan painetun näyttelyluettelon tekemisestä ja siksi esittelemme nyt tämän pdf-muotoisen näyttelyluettelon. Pahoittelumme tästä.

2016 perustettuja pohjoismaisia ansiomerkkejä - Pohjoismaisen valokuvausliiton suurmestari NSMIF -arvonimiä päästiin ensi kertaa jakamaan 2017. Niistä on tullut suuresti arvostettuja pohjoismaisten valokuvaajien keskuudessa. Ansiomerkkejä saaneiden kuvaajien esittelyt löytyvät kotisivuiltamme osoitteessa [www.nordic.photo](http://www.nordic.photo), mistä löytyy myös muuta lisätietoa ansiomerkeistämme.

NFFF on järjestänyt myös useita kaikissa neljässä Pohjoismaassa tuomaroitavia kansainvälisiä circuiteja. Tänä vuonna circuit järjestetään jo kuudetta kertaa: Lisätietoja näyttelystämme 6th Nordic International Digital Circuit 2021 löytyy liittomme kotisivuilta osoitteesta [www.nordic.photo](http://www.nordic.photo).

Toivottavasti viihdytte Pohjoismaisen Valokuvamestaruuskilpailun 2021 näyttelyluettelon parissa!

Nils-Erik Jerlemer

# DIAMANTNIVÅN 1 NÅDD

Ytterliga ett fint hedersteckensår i hederstecknens tecken 2021.

Under året 2021 fick vi gratulera 119 mottagare av ett nytt NSMiF hederstecken. Tre fotografer nådde Diamant ett nivå. Platinanivån nådde 13, guld- och silvernivån 32 och bronsnivån 40 fotografer. Sammanlagt har Nordiska Fotoförbundet fått dela ut 325 NSMiF hederstecken sedan 2017.

De ursprungliga reglerna för hederstecknen från året 2016 har man inte behövt ändra. De har kompletterats. Dessa kompletteringar omfattar poängen för ideellt arbete kring salongsarrangemang, Diamantnivåerna 1–3, samt de nya Master of NFFF hederstitlarna. I början av året 2021 beviljades det tre MNFFF hederstecken i både guld och silver, samt 10 i brons.

Att förvandla det nuvarande Excel-baserade registret för hederstecken till en modern databas med ett eget nätanvändarsnitt för fotograferna kommer att vara nästa stora steg på fronten för hederstecken.

I Nordiska Fotomästerskapet 2021 deltog 566 fotografer, utav vilka 168 för första gången. Likadana siffror får genomsnittliga FIAP salonger endast drömma om. Ett stort tack för deltagandet i salongen och trivsamma stunder tillsammans med årets katalog! Alla de fotografer som fick minst en bild accepterad i salongen får minst en bild publicerad i katalogen.

# TIMANTTITASO 1 SAAVUTETTU

Uusi hieno vuosi 2021 kunniamerkkien merkeissä.

Vuoden 2021 aikana saimme onnitella 119 uuden NSMiF-kunniamerkin vastaanottajaa. Kolme kuvaajaa ylsi Timanttitasolle yksi. Platinan saavutti 13, kullan ja hopean 32 ja pronssin 40 kuvaajaa. Kaikkiaan Pohjoisen valokuvausliiton NSMiF-ansiomerkkejä on vuodesta 2017 lähtien saatu jakaa 325 kappaletta.

Alkuperäisiä vuonna 2016 luotuja arvonimisääntöjä ole tarvinnut muuttaa, niitä on täydennetty. Tällaisia täydennyksiä ovat näyttelyiden järjestämiseen osallistumisesta myönnettävät talkoopisteet, timanttitasot 1–3 ja vuonna 2021 ensi kertaa jaetut Pohjoismaisen valokuvausliiton Mestari-arvonimet MNFFF/b/s/g. Kultainen ja hopeinen Mestari-arvonimi myönnettiin kolmelle, pronssinen kymmenelle valokuvaajalle.

Suurin työ arvonimirintamalla tulee seuraavaksi olemaan nykyisen Excel-pohjaisen arvonimirekisterin saattaminen varsinaiseen tietokantamuotoon, johon valokuvaajille luodaan oma nettikäyttöliittymänsä.

Vuoden 2021 Pohjoismaiseen Valokuvamestaruuskilpailuun osallistui 566 valokuvaajaa, joista 168 oli ensikertalaisia. Tällaisista luvuista voidaan keskiverto FIAP-näyttelyissä vain uneksia. Suuri kiitos kaikille näyttelyymme osallistuneille ja viihtyisiä hetkiä näyttelyluettelomme parissa! Jokaiselta yhdenkin hyväksynnän saaneelta kuvaajalta julkaistaan vähintään yksi kuva.
