Nordisk fotomesterskab 2022

2022/08

Jury for Nordisk mesterskab 2022

Juryen til NFM 2022 var fra Kiel, som er landshovedstad i det nordlige Tyskland.

Fra venstre er det:

Jan Romanowski, EFIAP, EPSA

Michaela Pecat, AFIAP og DVF Bezirksleiterin Schleswig-Holstein

Jobit Stolp, AFIAP og DVF Landesvorsitzende Nordmark.

DVF er det tyske selskab for fotografi, se mere på <https://dvf-nordmark.de/> eller <https://www.dvf-fotografie.de/>

Nordiskt Fotomästerskap 2022

Nordiska Förbundet för Fotografi - NFFF bildades 2015, och är ett samarbete mellan landsförbunden i de fyra Nordiska länderna Sverige, Norge Finland och Danmark. 2017 genomfördes för första gången **Nordiskt Fotomästerskap**, och värdskapet alternerar mellan de fyra landsförbunden.

I år är det Selskabet for Dansk Fotografi - SDF som ansvarat för evenemanget.

Antalet deltagare ligger på en konstant mycket hög nivå, cirka 500 fotografer. Detta kan till stor del bero på att tävlingen från och med 2020 är en tävling även för klubbarna.

Det är med stor stolthet vi i år kan presentera en PDF- katalog av hög kvalitet med samtliga vinnande bilder, och ett urval av de antagna bilderna.
Samtliga antagna fotografer är representerade.

Även de hederstecken, Nordisk Stormästare i Fotografi - NSMiF, som inrättades 2016, och utdelades första gången 2017, har blivit mycket uppskattade av fotografer i Norden.
En förteckning över de fotografer som mottagit hederstecknet återfinns på vår hemsida www.nordic.photo, där även övrig information om hederstecknet finns.

NFFF har även genomfört ett antal internationella fotoutställningar, circuits, med bedömningar i de fyra nordiska länderna, och 2021 genomfördes den sjätte i ordningen, 6th Nordic International Digital Circuit 2021. Information finns på hemsidan www.nordic.photo.

Hoppas ni får stor glädje av denna katalog från Nordiskt Fotomästerskap 2022!

Nils-Erik Jerlemar
