The Nordic Society of Photography proudly presents the 9th Nordic International Digital Circuit 2024 which is one of the few circuits in the Nordic countries. The exhibition is a four-country circuit in collaboration with the national organizations in Sweden, Norway, Finland and Denmark. The exhibition has received FIAP Patronage, GPU License, ISF Label and DIPA Patronage.

Almost 400 photographers from 46 countries have sent almost 3000 photos for assessment.

**Once again, a great success!**

This shows that the Nordic International Digital Circuit is now a well-established and appreciated exhibition.

We would like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

Congratulations to those who were successful, and the rest of you we wish better success in our next exhibition 2025.

I would also like to thank all the jury members and everyone who helped with jury assessments, software, catalog etc.

In this PDF-catalogue you can take part of all the accepted and prize winning photos

Please enjoy!
